PROFILE

Content producer and creative director with 20+ years managing international programmes end-to-end: ideation through delivery, client through audience. Led multi-region content production across seven countries, managed production budgets up to SEK 5 million per project, and served as primary creative contact for global clients including Play'n GO and Volvo Cars. A genuine gamer: Counter-Strike from the beta, Dota from its Warcraft 3 mod origins, Rainbow Six from the original series through Siege in competitive ranked mode. Deep working knowledge of how esports communities form around competitive play and what content actually resonates with fans who know the game from the inside.

CORE COMPETENCIES

CONTENT PRODUCTION & DELIVERY

- Full lifecycle management: ideation, pre-production, filming, editing, post-production, delivery
- Multi-format output: live events, broadcast, video series, digital and social content
- Production across simultaneous regions, time zones, and cultural contexts
- Vendor, freelancer, and agency management across all projects

CREATIVE LEADERSHIP & FAN ENGAGEMENT

- Ideation sessions and concept development from brief to full content platform
- Storytelling that connects competitive narratives to fan identity and emotion
- Entertainment direction and format design for large-scale live events
- Platform knowledge across Twitch, YouTube, TikTok, and esports broadcast formats

CLIENT & STAKEHOLDER MANAGEMENT

- Primary creative contact for international clients (Play'n GO, Volvo Cars)
- Cross-functional alignment: creative teams, publishers, and senior stakeholders
- Regular progress reporting and strategic alignment across multi-year partnerships
- Multi-stakeholder navigation from CEO level through regional production teams

BUDGET & PROGRAMME MANAGEMENT

- Production budgets up to SEK 5M per project
 - Multi-project budget tracking, forecasting, and optimisation
 - Resource planning across internal teams and external suppliers
 - Multi-year programme management with measurable engagement outcomes
-

PROFESSIONAL EXPERIENCE

CREATIVE DIRECTOR

OCT 2023 – PRESENT

Eventity · Sweden

B2B creative agency specialising in corporate brand experiences. Lead all creative strategy, content production, and client relationships across the portfolio. Primary contact for all major accounts.

- End-to-end content production across live events, video, and digital for international clients
- Primary creative and production contact managing all client relationships
- Led ideation, concepting, and delivery across projects up to SEK 5M
- Managed third-party vendors, freelancers, and touring entertainment acts
- Budget ownership, financial tracking, and forecasting across all projects

KEY ACHIEVEMENTS

PLAY'N GO: EARLY ACCESS · INTERNATIONAL BRAND PROGRAMME · 3.2M SEK

Three-year international content programme for one of the world's leading iGaming software suppliers. Eight events per year across four countries (Sweden, Malta, Hungary, Philippines), 540 employees across seven countries, budgets exceeding EUR 100,000 per event. Primary creative contact and production lead across all events. Managed entertainment production, venue coordination, and multi-stakeholder alignment across seven countries. Outcome: 95%+ participation across all activities. Three-year commitment secured from concept pitch alone.

STARS SUMMIT · LÄNSFÖRSÄKRINGAR GÖTEBORG & BOHUSLÄN · 4.5M SEK

Annual 550-person employee summit, part of a five-year strategic creative partnership. Full content lifecycle: concept development, entertainment direction, video and stage content production, artist briefing and management, delivery. Served as the single point of creative alignment between client leadership, artists, production team, and suppliers. Participant feedback: best summit in the partnership's five-year history.

THE HEALTH JOURNEY · LÄNSFÖRSÄKRINGAR ÖSTGÖTA · 5M SEK

Year-long content and wellness programme culminating in a company retreat at Högfjälls Resort. Won the client from their incumbent supplier on concept alone. Highest-earning, highest-profit project in company history.

FOUNDER & CREATIVE DIRECTOR

2018 – 2022

Dat Production · Sweden

Independent production company serving commercial and cultural clients. End-to-end content production across automotive, entertainment, and gaming. The same person who conceived the creative also produced and delivered it.

- Full content production: scripting, visual direction, filming, editing, color grading, audio post
- Creative direction and production management for international product launches
- Broadcast-ready delivery coordinated with global production teams

KEY ACHIEVEMENTS

VOLVO CARS PRODUCT LAUNCH · EMEA & APAC

Creative direction and content production for two separate week-long international product launch events (EMEA then APAC), 300 attendees from multiple countries per event. Full budget responsibility from brief to execution. Built a three-part entertainment narrative using visual storytelling and music that worked across language and cultural backgrounds. Broadcast-ready delivery coordinated with Volvo's global team. EMEA concept successful enough to carry directly to APAC the following week, a repeat engagement based on results alone.

P3 GULD: CLEO · NATIONAL BROADCAST GALA

Co-produced gala performance for live national television broadcast. Dual-audience execution: venue crowd and broadcast viewers simultaneously. Collaborated directly with TV producers, directors, and camera teams on shot design, timing, and delivery.

CO-FOUNDER & CREATIVE DIRECTOR

2004 – 2022

Twisted Feet Dance Company & Academy · Gothenburg, Sweden

Performance company and event production house built over 18 years. Content production alongside live productions included media, documentation, and promotional output across all projects.

- Original scripted productions touring nationally and performing at Gothenburg Opera and Backa Teater
- Media and content production: trailers, event documentation, promotional video
- International artist booking and management

KEY ACHIEVEMENT

GOTHENBURG DANCE FESTIVAL · 2009–2017 · 10,000+ PARTICIPANTS

Co-created and produced one of Scandinavia's largest urban expression competitions, running eight consecutive years as part of the Gothenburg City Culture Festival. Competition format design, international artist and judge booking, multi-venue production, and all content output including trailers, highlights, and event documentation. Grew from a local competition into a nationally recognised event.

GAMING & INDUSTRY KNOWLEDGE

Counter-Strike: played from the original Half-Life mod and Beta through CS 1.6 and CS2. Dota: played from the original Warcraft 3 mod through Dota 2.

Rainbow Six: played the original series from release in the early 2000s, and Rainbow Six Siege in both casual and competitive ranked mode. Direct knowledge of the operator system, ranked format, and the fan community that surrounds the competitive circuit. Active consumer across Twitch, YouTube, TikTok, and esports broadcast, with the platform literacy that comes from being a genuine fan first. Regular attendee at Sweden Game Arena events and Gamescom, staying current with where the industry is heading and how the gaming community evolves on the ground.

SKILLS & TOOLS

CONTENT PRODUCTION

Full video production lifecycle, DaVinci Resolve (editing, color grading), Fusion (motion graphics), Fairlight (audio post), broadcast coordination and delivery
